

HAFC report

Following the disappointment of missing out on Senior football by a single point in the 2013/14 season last summer saw a few changes at Henley Athletic FC. Some players left whilst others joined and then to cap it all off our 1st team manager resigned after the opening game of the 2014/15 season.

A new 1st team management team of Sean Brown and Chris Rogers were appointed and they managed to steady the ship and some astute signings and team motivation saw us finish the Division 1 league season exactly mid table. A notable season high saw us defeat eventual Senior division champions Cranes FC and knock them out of the Bob Coleman cup.

The reserve side also finished mid table and also saw a management team change as new born family commitments saw Ryan Leggett and Steve Rogers make way for Mark Dunham and Rob Matherson. As always our reserve side tries to develop young players and in this last season we have seen quite a few of the youngsters make their 1st team debuts.

The management teams and committee are already deep into preparation for next season and shortly we hope to be able to announce some exciting signings that will once again see the 1st team push for promotion to Senior football. We already have several prestigious pre season friendlies booked and we look forward to seeing supporters both old and

new this coming season.

Friendlies as follows

25th July Team Brantham Away

1st August East Bergholt Home

8th August Grundisburgh Away

15th August Cranes Home Double Header

22nd August League season begins
