

Henley Players - 2017/18

The Henley Players have enjoyed some great productions again this year

In January 2018 we performed 'Sleeping Beauty' by Ben Crocker – the feedback from some of the regular audience was it was our best yet!

This was once again a large cast & production that we have put on the stage!
The 30 cast members were mainly from the local community – which is a great advert for Henley

We are grateful for the Community centre & local councillors who supported the funding application for the new stage extension.

Our summer youth show was a medley of short sketches from 4 musicals – Wicked, Annie, Matilda & the Sound Of music.

We also had recently performed another Henley Hall Murder Mystery, but this time it was a form of a Radio Play! and was written by one of our committee members.

The village was pleased that we entertained them for Halloween in October last year. We were surprised with the turnout and anybody said the music was great and the hall was decorated well – some of our props certainly came in useful!

Work is now underway with our next summer production for mainly our junior cast in June 2018, which is Peter Pan by limelight scripts, and our January 2019 pantomime, which this year will be – Robin Hood by ben Crocker once again!

During the past year we have been able to purchase for the Community centre more stage items – 2 x backcloth stage tracks & a LED projection unit. This is an addition to the previous year where we purchased a 2nd lighting desk, Rear projection screen & 2 portable DMX lighting bars.

Please support us when you can - we are YOUR local drama group giving you good value entertainment and providing drama experience to the local community of Henley.

May we also thank the Trustee Directors for their valued & continued support of the Players & Community Centre.
