

Henley Players

The Henley Players have enjoyed some great productions this year with ever increasing members & audiences.

No sooner had we finished Jack & the Beanstalk in Jan 2015 then we were preparing, auditioning & rehearsing our January 2016 production of Snow White & Dwarf Club Seven!

This was once again a large cast & production that we have put on the now famous Henley stage! The 26 cast members were mainly from the local community – which is a great advert for Henley

The set was very impressive and best by far.

We were as usual full to capacity over 3 performances that's 432 seats filled.

Feedback was once again very positive – The band was as normal very professional and the cast really enjoyed their experience. With the increased numbers of young talent the players decided to give them an opportunity to perform in their own musical production of Bugsy Malone in early May 2015.

Work is now underway with our next summer production of The Wonderful Wizard Of Oz in June and our January pantomime, which this year will be – Dick Wittington & his cat!

The script has been being written by a local person - Molly Hazelwood who was in our first ever production 6 years ago.

Please support us when you can - we are YOUR local drama group giving you good value entertainment and providing drama experience to the local community of Henley.

May we also thank the Trustee Directors for their valued & continued support of the Players & Community Centre.
