Gipping

We have worked with Ipswich Borough Council to reduce the number of discarded drug paraphernalia in Alderman Rec and increased our patrols during the half term fun fair. A Dispersal Order was used at key times to remove potential trouble makers from the area, which has led to a reduction in criminal activity compared with the past few years. Police presence will be maintained during the summer holidays.

Enquiries are on going in to four theft from motor vehicles and three house burglaries. There has been a rise in theft of pedal cycles in this area during May 2016. Please remember to always lock your bike and contact us if you would like your bike security marked, it's free!

Stoke Park

Police executed a search warrant at an address in Peterhouse Close, Ipswich and recovered 42 bags of stolen items. Enquiries are ongoing to return the property to the rightful owners and gather evidence to prosecute those involved.

Crime levels remain stable and there are no series or spikes in crime types across this area.
