

Henley Players - 2016/17

The Henley Players have enjoyed some great productions again this year with increasing members & audiences.

No sooner had we finished Snow White & Dwarf Club Seven in Jan 2016 then we were preparing, auditioning & rehearsing our January 2017 production of Dick Whittington!

This was once again a large cast & production that we have put on the now famous Henley stage! The 35 cast members were mainly from the local community – which is a great advert for Henley

The set was very impressive, using large rear screen projection for the very first time.

We were as usual full to capacity over 3 performances that's 432 seats filled. We also added a 4th show for the snr citizens of Henley and surrounding residential homes – a show for a £1.00!

Feedback was once again very positive – With the increased numbers of young talent the players decided to give them an opportunity to perform in their own musical production of The Wonderful Wizard Of Oz in early June 2016.

We also for the very first time had our very own Henley Hall Murder Mystery! – The production was a sell out and staged around the audience. Everybody enjoyed the experience including the 3 course meal – excellent value for £15.00.

Work is now underway with our next summer production for mainly our junior cast in June 2017 and our January 2018 pantomime, which this year will be – Sleeping Beauty!

During the past year we have been able to purchase for the players and the Community centre various stage items – A 2nd lighting desk, Rear projection screen & 2 portable DMX lighting bars.

Please support us when you can - we are YOUR local drama group giving you good value entertainment and providing drama experience to the local community of Henley.

May we also thank the Trustee Directors for their valued & continued support of the Players & Community Centre.
